Re: Docket No. WS03478A-12-0307

To Whom It May Concern:

As a customer of Far West Water and Sewer, Inc., I wish to submit a written public comment regarding Far West's proposed rate increase.

I wish to bring to the commission's attention that as a part-time resident I am charged for sewer all year round. For the year 2011, I used my Yuma property for 3months and paid a sewer bill for 12 months. I actually used the system for less than 30% of the year.

If Far West is allowed to make a substantial sewer rate increase, I request that part-time resident customers receive some relief from the present policy of paying even if you're not using.

Sincerely,  
James Lucas
